EDITOR'S NOTE

In between the Touch Talk newsletters, there will be regular News Flash notices to share little bits of information with everyone. This News Flash contains important information regarding the annual fee payments:

Dear Cimi's

It is that time of the year where emails will go out to everyone reminding them to register for the new IAIM-registration year. Although this system has been running fairly smoothly over the last few years, there seems to be some hiccups. This News Flash is aimed to give some clear instruction in order to prevent any of this happening again.

Kindly check your emails today and tomorrow as invoices will go out during the next 48 hours. Make 100% sure that you pay the yearly fee into the CORRECT bank account. The IAIM-SA has other bank accounts where training money is deposited and it has happened lately that members pay annual fees into the wrong bank account. It creates unnecessary admin and confusion and a delay in processing your registration.

MISSION STATEMENT

The purpose of the International Association of Infant Massage is to promote nurturing touch and communication through training, education and research so that parents, caregivers and children are loved, valued and respected throughout the world community.

Please make sure that you make your payment before 30 September 2017. Failure to do so will lead to your name being removed from the database and website. There will really be no exceptions this year. If you would like to be re-registered you will need to pay a re-registration fee over and above your yearly registration fee.

Respectfully

Jo-Marie
